

Electrochemical Methods in Corrosion Research Robinson College Cambridge, 22 – 27 July 2018

This residential, single-session conference has evolved into one of the leading events in corrosion electrochemistry, providing an intimate, focussed meeting.

Sponsorship

All sponsorship includes an exhibition space and 1 delegate registration. Sponsors get priority for exhibition space. Sponsors will be acknowledged in the oral sessions and at the relevant event and can display promotional material.

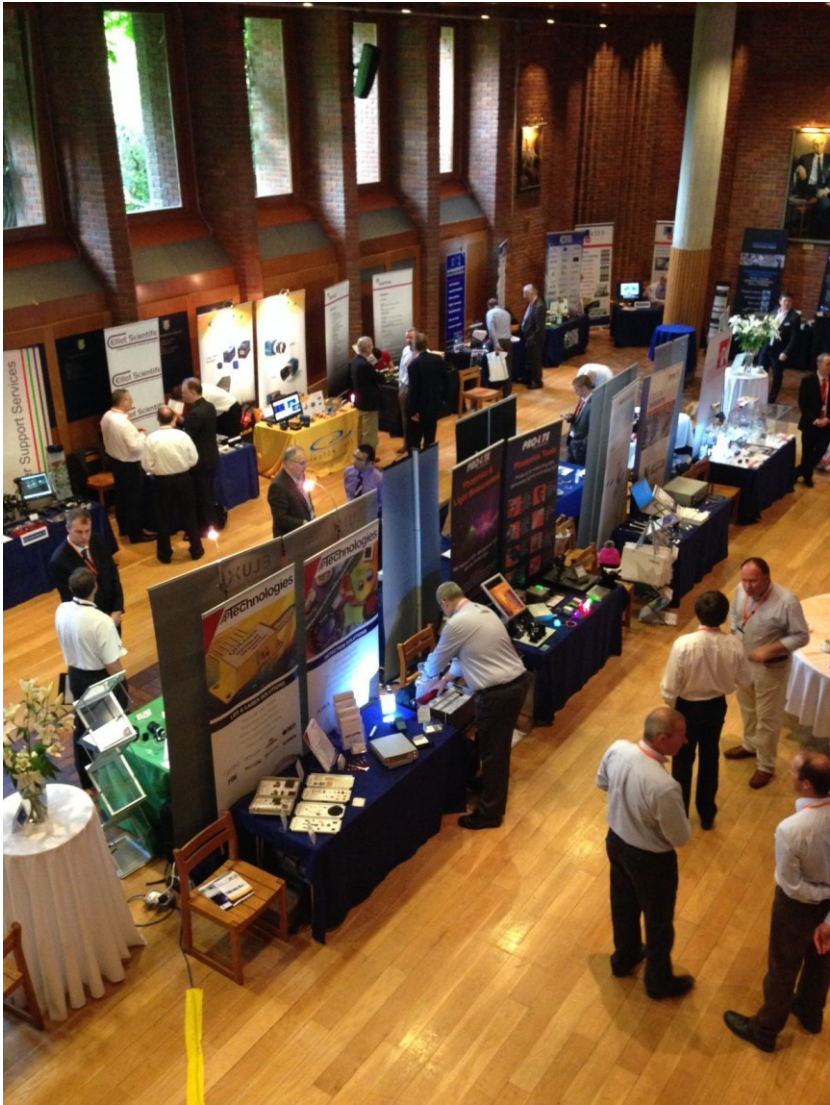

Sponsorship costs are:

Tea and Coffee Breaks	£5000
Welcome Reception	£3000
Wine Tasting	£3000
Tour of Cambridge and Punting	£4000
Banquet	£5000

Exhibition

The exhibition will be held in the room used for lunches, tea and coffee breaks and the poster sessions. Each exhibitor will be provided with a table and chair for display (see below for a photograph of a typical exhibition setting). Exhibitors will be permitted to erect display boards on or behind the table. The cost for 1 delegate plus the display space will be £1500; this will include accommodation and meals and will permit participation in the technical and social sessions. There will be a limit on the number of exhibitors, selected on a first come basis.

Contact Bob Cottis (bob.cottis@manchester.ac.uk) if you are able to sponsor EMCR 2018, or if you wish to reserve exhibition space.

Further details on the conference can be found at <http://emcrconference.org/>.
